

**Mud Creek Players
Barn RATS Summer Camp
Counselor Application 2010**

The Mud Creek Players are looking for outstanding High School and College students to participate in our 2010 RATS (Really Awesome Theater School) summer drama camp program for Elementary and Middle School students.

As one of the camp counselors, you will assist the camp directors with games, rehearsals, snack preparation, and post lunch-time recess activities for as many as 25 young drama enthusiasts. Because the Barn RATS Summer Camp is about building relationships, developing acting skills, and producing a unique performance experience, you are required to volunteer for an entire one-week session.

Each camp session runs from 9 a.m. – 4 p.m. daily, Monday through Friday. A live performance for parents, family, and friends, will be the culminating activity each Friday afternoon.

This opportunity is a great way to complete National Honor Society community service hours or build a body of service work for college applications. You will receive a certificate acknowledging their leadership skills and volunteer spirit, as well as a Barn RATS T-shirt. Spaces are limited and an interview may be required. Come have fun with us at the “Barn” this summer and make it count for you as well!
