

BEHIND THE SCENES

A Quarterly Publication for Mud Creek Players Members

November 2007

Game Night

In case you weren't able to attend, Game Night for those who attended had lots of laughs and a chance to socialize with fellow players. Attendees brought games and various tables played yatzee, scrabble, euchre and other games. The committee provided non-alcoholic drinks, appetizers and subs.

Please remember that Barn social functions are a great way to get to know other Barn members in a nice social environment.

Kitchen Renovations

The kitchen has undergone some major improvements, including a new floor, cabinets, and a fresh paint job. Cabinets have been installed under the serving counter, providing more storage area. A peninsula has been built next to the entrance. This will allow space to move the drink refrigerator and coffeepot to allow for better logistics when serving during productions. The barn has also purchased a new coffee maker and stove. A new granite counter top will soon be installed.

Committees

As a Mud Creek Player your own real commitment is to serve on a committee two months per year. If you are unable to participate in a month to which you're assigned, it is your responsibility to let the committee chair know. If you are the chair, it is your responsibility to find a replacement.

The directory lists each committee on page 2. Pages 3 and 4 of outline the house rules and responsibilities of the chair and committee. It is important that you become familiar with this information prior to planning your event.
